

Courses that finish before Christmas

Students from selected universities can acquire 30 ECTS credits at Radboud University and finish before Christmas.

While studying at Radboud University, students can participate in the 6 ECTS credits courses in block 1 and combine it with a combination of the following 4 ECTS credits courses in block 2:

- Economic Methodology
- Financial Regulation
- International Financial Policy
- Introduction into Organization Design
- Government and Policy
- Knowledge Management
- Markets and Strategy
- Macroeconomics

An example of a 30 ECTS credits schedule can be found below.

Block 1 (September-November)	Block 2 (November-December)
6 ECTS credits course	4 ECTS credits course
6 ECTS credits course	4 ECTS credits course
6 ECTS credits course	4 ECTS credits course

This leaflet has been composed with the greatest care. The courses mentioned are the current offer. No rights can be derived from its content.
